Nature's Select® Brand DRY ROASTED SOYNUITS

There is no food source on this planet with more definitive and profound health benefits than Soy!

Nature's Select® Brand DRY ROASTED SOYNUITS are the #1 source for **Plant-based Protein** amongst all Soyfoods!

Nature's Select® Brand DRY ROASTED SOYNUITS have been named the number one Soy nut in the country by Quality Institute International receiving the **American Taste Award of Excellence** given by the American Tasting Institute, the American Culinary Institute and the American Quality Institute

Soybeans: "The bioactive ingredients in Plant-based Soy Protein products suppress the formation of blood vessels that feed cancer cells. Soy helps stabilize hormone levels in women, as well as reduce the risk of heart disease, diabetes, osteoporosis and, ovarian, breast, colon and prostate cancer".

Who is Love Your Health Foods?

Back in 1989 we developed a Proprietary Dry Roasting technique converting the stone-like soybean into a high protein, crunchy, nutty, flavorful **Dry Roasted Soynut**. We remain the only **genuine Dry Roasted Soynut** manufacturer in North America processing 100% USA Conventional Non-GMO and Certified Organic Dry Roasted Soynuts!

SINGLE SERVE POWER SNACKS – 1.4oz to 1.75oz
