

QIMEI ORGANIC

HIGH QUALITY ORGANIC-CERTIFIED INGREDIENTS

From Our Farms to Your Warehouse

WE ARE OUR OWN PRODUCERS

Qimei is a complete integrated organic plant ingredients producer. It owns **2,300** acres of farmland in China and **400** acres of farmland in the U.S. It also has **3** high-tech processing facilities, which can produce Individual Quick Frozen (**IQF**), Air Dried (**AD**), Freeze Dried (**FD**) vegetables, fruits and herbs, as well as plants extracts and plant proteins. Qimei has a dedicated U.S team and a local warehouse to serve the customers better.

Qimei holds multiple organic certifications that meet different requirements from customers. It has organic certifications, including **USDA, Europe EU, Canada COR, Japan JAS, China OFDC, and China OFCC**. It also has **BRC, Kosher, HACCP and ISO 22000** certifications. Impressed by the exceptional quality of our products, the 2008 Beijing Olympic Games Committee has selected Qimei as its official food ingredient supplier.

What We Do

01

EXPORT ORGANIC INGREDIENTS WORLDWIDE

Qimei aims to consistently supply high quality, organic ingredients and food in the global market.

02

INVEST IN FOREIGN FARMS AND FACTORIES

Qimei invests in organic farms and food factories in the United States in order to strengthen our productivity.

03

IMPORT ORGANIC PRODUCTS TO CHINESE MARKET

Qimei corporates with world-leading organic food companies, expanding their accessibilities in China.

The Qimei Story

Previously as an English teacher in a local middle school, Ms. Zhao founded Qimei Organic for the purpose of transforming barren lands into farmlands. Since then, she started to devoting herself to the organic food industry.

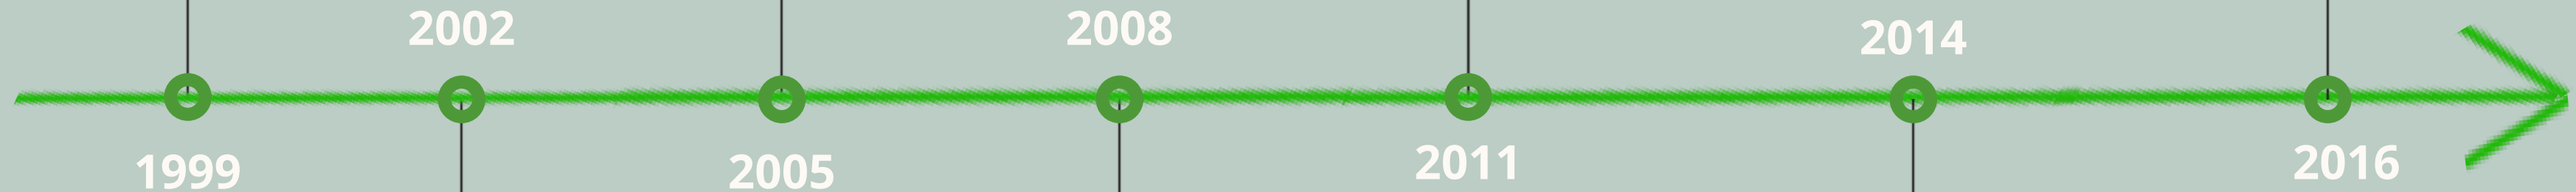

SARS hit all business entities pretty hard in China. However, Qimei stayed through the tough times and quickly recovered. By 2005, Qimei built the first factory with IQF and FD equipments. The organic business expanded and the products were exported to more countries.

Qimei established a US branch in Ithaca, NY. In the same year, Qimei began a long term collaboration with Cornell University.

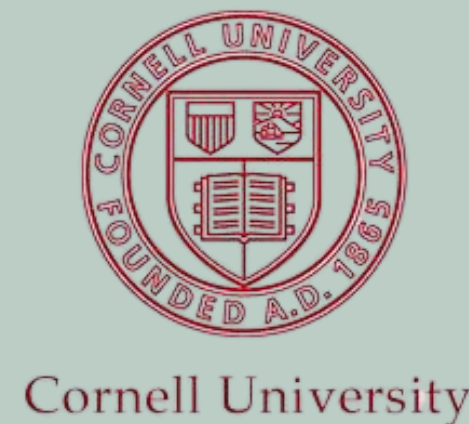

Qimei opened another branch in Shanghai, China. Same year, two subsidiary were registered, called "Delight Organic" and "Delight Kitchchen".

Products started exporting to Japan, and company has begun making profits

Qimei was highly ranked in the global market. In 2008, Qimei was selected as the official supplier for the Beijing Olympic Games.

Qimei built an organic industrial park that covers 58 acres of land.

Why Qimei?

All of our farms are organic certified by the USDA,
Canadian COR, the EU, the Japanese JAS and Chinese OFDC.

Our products are analyzed through extensive laboratory tests and third party inspection services. Zero pesticides or heavy metals has ever been found.

In addition to the organic certifications, Qimei also has BRC Grade A, Kosher, HACCP, and ISO 22000 certifications.

We have in-house labs that can do the following tests:

Microbiological testing

Moisture testing

Water activity testing

Physical testing

Heavy metal testing
