

# MAXIMIZING BEVERAGE REVENUES THROUGH TEA INNOVATION

Setting trends in the tea industry since 2005, Tealish is backed by a team of experts in the food, beverage and wellness industries. With a focus on innovation and wellness, Tealish excels at creating customized, trend forward tea programs for grocery, cafe and retail experiences.

## INNOVATION

As the first modern tea company in Canada, Tealish is on the cutting edge of tea, beverage, and wellness trends. We offer our partners modernized, elevated tea programs that include:

- Premium, on trend ingredients with a focus on functional and healthy superfoods, adaptogens and healing herbs
- Innovative, high margin menu recipes and service programs (tea lattes, smoothies, cold brew and sparkling teas)
- Menu consultation and custom blends (library of over 250 blends)
- CBD tea formats (launch Q2 2020)

## EXPERIENCE

With over 15 years of experience in the tea industry, Tealish offers extensive knowledge on tea, food ingredients, trends and beverage menu creation. Our knowledge base allows us to:

- Customize teas and private label programs for specific demographics
- Work with large retailers such as Indigo Books, Avon, Target, Urban Outfitters, Hudson's Bay, Whole Foods, Costco and Staples.
- Create new packaging formats and sell through programs for vendors.

## QUALITY & CAPABILITIES

With a trusted supply chain and all relevant industry certifications, Tealish is committed to providing the highest quality, ethically sourced teas. Our abilities include:

- Providing consistent supply for high volume customers
- Multi format packaging options and new product development
- Biodegradable, pyramid teabag packaging formats
- Certified Organic Blends
- Customized RTD beverage line
