About  Cb Botanica

Helping the World, One Hemp Plant at a Time

Cb Botanica was created by Better Life Ventures LLC to help consumers enhance their health naturally and improve everyday well-being through CBD products and educational content about CBD. Its award-winning (Best Hemp Distillate 2019 by Indo Expo), full-spectrum tinctures are made with **90%+** pure CBD distillate, derived from organically cultivated, American-grown hemp. Its products have undergone professional, third-party testing by Proverde Labs and Botanacor to ensure delivery of the highest quality CBD products.
