

**Science.  
Truth.  
Wellness.**

---

# Who we are ...

---

- We provide science-based wellness products including softgels, capsules, tinctures and topicals.
- All of our products are custom formulated by our co-founder and CMO Dr. Adam Abodeely, MD, FACS, FASCRS.

# Our Chief Medical Officer

---

Dr. Adam Abodeely, MD, FACS, FASCRS

Dr. Abodeely is double-board certified in general surgery and colorectal surgery.

His is the founder of Adirondack Gastrointestinal & Colorectal Surgery where he is an active practicing surgeon.

He obtained his medical degree from Loyola University Chicago.

He then completed his general surgery training at Brown University/Rhode Island Hospital where he earned several teaching awards and was also named "The Outstanding Resident Physician of the Year."

After residency, he completed his colorectal surgery fellowship at the Rhode Island Colorectal Clinic, LLP, an affiliate of Brown University and Boston University.

# Our Story

---

Co-founder Gina Abodeely recovered from a brain tumor and adopted a healthy lifestyle.

Gina's husband, Adam Abodeely, MD, FACS, FASCRS, saw the benefits of alternative therapies in his patients.

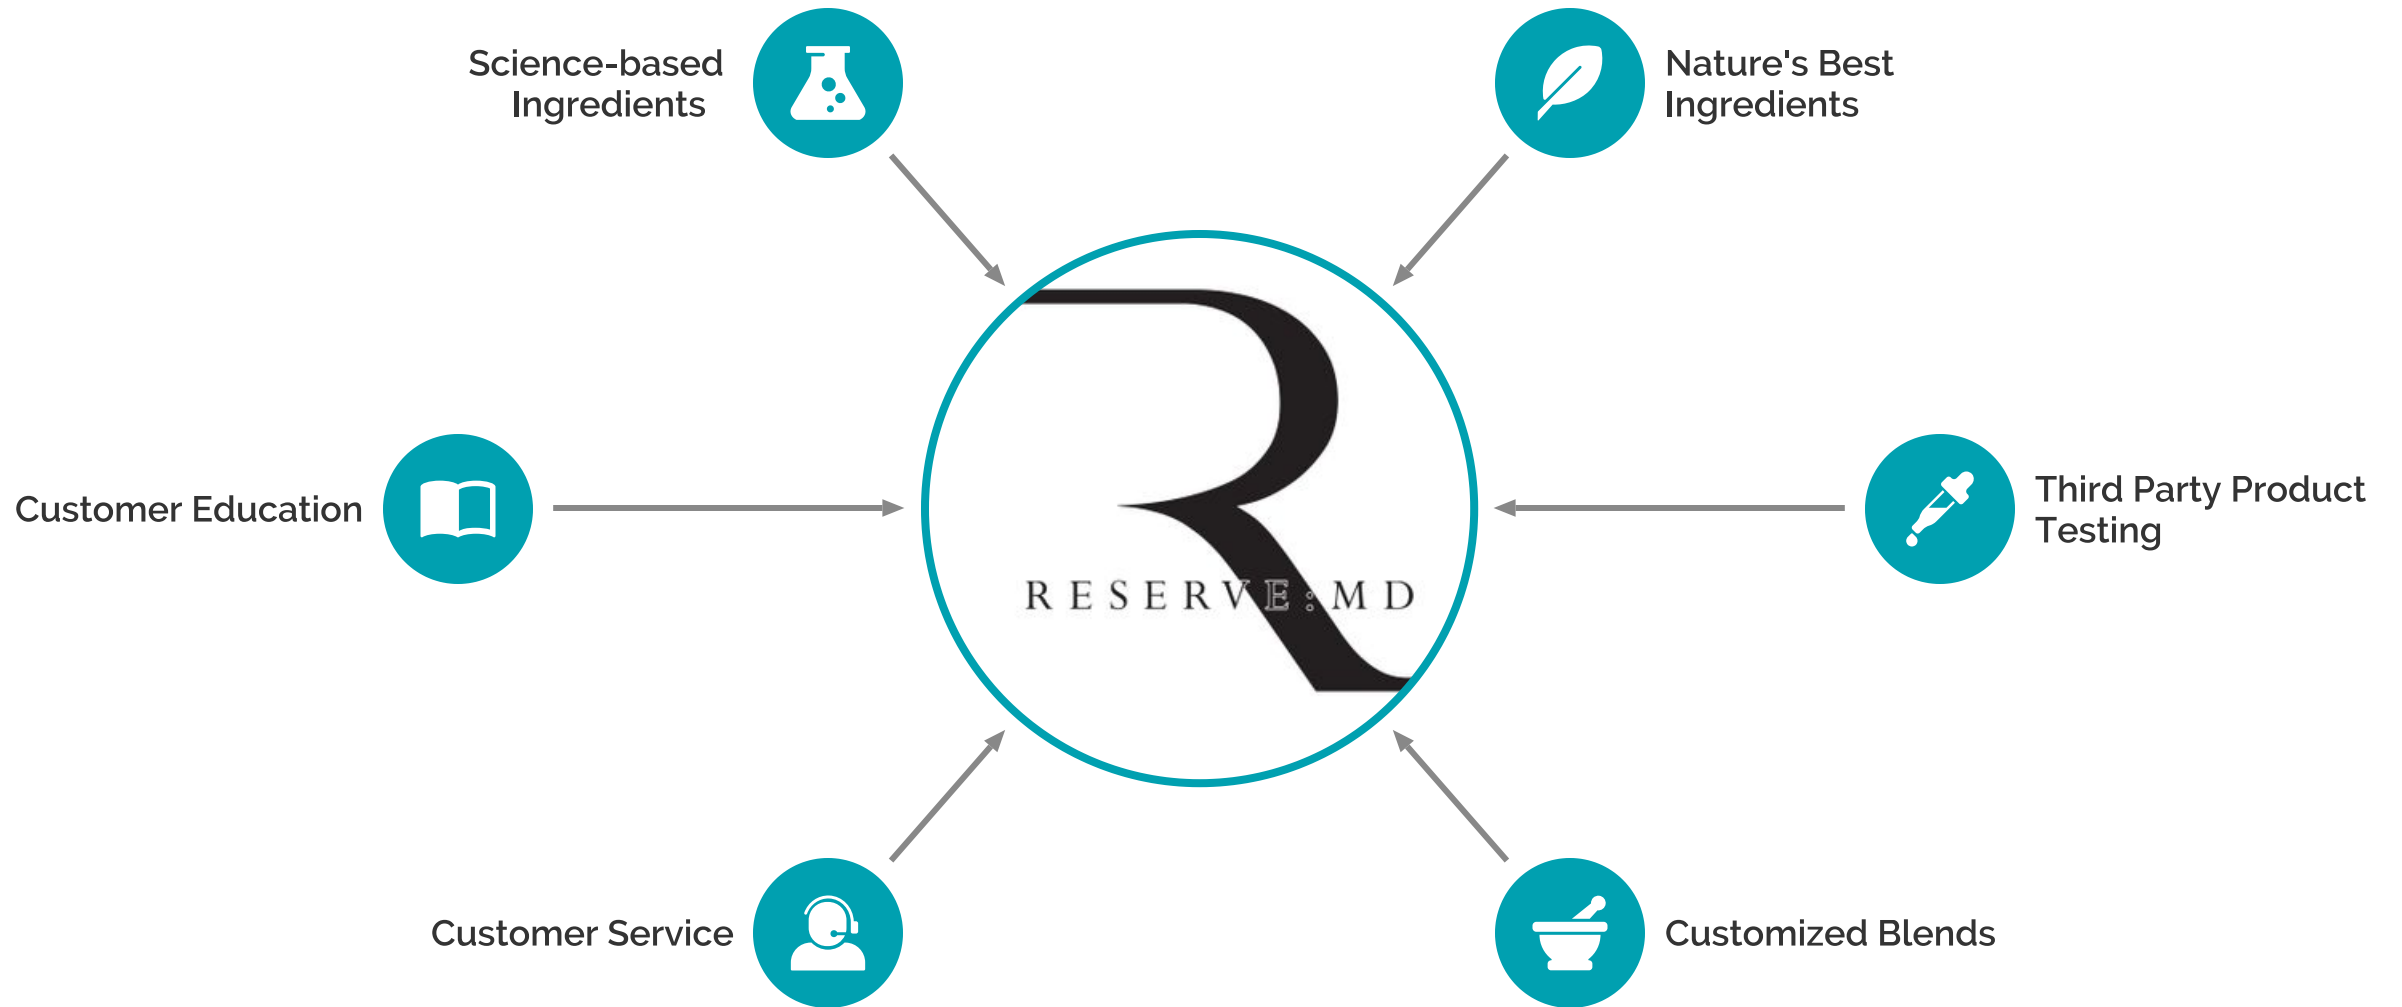

Collectively, they realized that many conventional supplements were missing plant compounds and other historically used ingredients.

They founded RESERVE:MD to merge SCIENCE with NATURE

# Brand Philosophy

---

# Why Choose Reserve:MD for CBD Products?

---

- Our products are uniquely designed to have enhanced absorption and bioavailability.
- We use only US grown hemp.
- All products feature a QR Code and a batch number lookup.
- As the science evolves, so do our formulations in bringing you the most advanced cannabinoid products.
- We provide educational material for retailers and customers.
