Our CBD capsules are subject to normal metabolic breakdown in the digestive system. This means that while they offer a slight advantage in terms of convenience and more precise dosing, they have a marginally lower bioavailability (the amount of CBD that is available for use by the body compared to the actual amount you take) compared to our CBD oils.

- Certified organic
- Non-GMO
- No pesticides, herbicides, solvents or chemical fertilizers
- Non-psychoactive (Less than .02% THC)
- Laboratory tested to ensure safety and potency

# TOPICAL CBD CREAM

PureKana Topical Cream is made from extracting CBD rich hemp oil from some of the best Kentucky sources, and infusing it into everyday moisturizing cream. Our Topical gives a cooling sensation while the CBD absorbs in the skin. With an extremely smooth texture and no oily feeling, you are guaranteed to get the results you are looking for.

- Icy menthol feel for maximum relief
- Hemp extract comes from same raw plant material as our CBD oils
- Naturally moisturizing ingredients for supple, healthy skin
- Fast-acting effects (CBD does not have to enter bloodstream)
