RESERVE:MD™

Providing Physician-Formulated Science-Based Wellness Products is Our Passion

RESERVE:MD was founded by Adam Abodeely, MD, FACS, FASCRS. A board-certified surgeon and an active member of numerous international cannabinoid societies, Dr. Abodeely is dedicated to advancing the science and education of cannabinoid-based therapies.

RESERVE:MD strives to bring you the best products science & nature can deliver.

RESERVE:MD uses only US grown hemp and all products are third-party tested.

OUR PHYTOCANNABINOID WELLNESS PRODUCTS

NANOEMULSIFIED CANNABINOID + TERPENE RICH SOFTGELS

Each softgel features a customized blend of cannabinoids and terpenes designed to have enhanced bioavailability.

NANOEMULSIFIED CANNABINOID + TERPENE RICH TINCTURES

Our alcohol-free tinctures contain a crafted blend of cannabinoids and terpenes. Available in two formulas: AM and PM.

CANNABINOID + TERPENE RICH HONEY

Our raw amber honey is immersed in a blend of broad-spectrum water soluble phytocannabinoid-rich hemp extract & terpenes.

CANNABINOID + TERPENE RICH BALMS

Our citrus topical balm contains a customized blend of cannabinoids and terpenes designed to have enhanced skin permeability.

Available in 250mg and 500mg.

CANNABINOID RICH BODY & MASSAGE OIL

Our apricot peach body & massage oil includes 400mg of phytocannabinoid-rich hemp extract to soothe aches and nourish the skin.

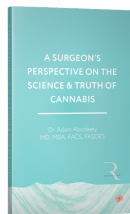

CANNABINOID RICH WHIPPED BODY BUTTER

Our tropical peach body butter features a replenishing blend of moisturizers and cannabinoids to help rejuvenate the skin.

BOOK: "A SURGEON'S PERSPECTIVE ON THE SCIENCE & TRUTH OF CANNABIS"

A look at cannabis-based therapies from a surgeon's perspective.

All products contain zero THC and are third-party tested to ensure quality.

OUR WELLNESS PRODUCTS
